THE MINED LANDS RECLAMATION ACT

BOND

DIVISION OF
OIL GAS & MINING

The undersigned Great Salt Lake Minerals & Chemicals Corporation as principal, and Northwestern National Insurance Company as surety, hereby jointly and severally bind ourselves, our heirs, administrators, executors, successors and assigns unto the State of Utah, Division of Oil, Gas and Mining in the penal sum of One hundred and eighty thousand, eight hundred and seventy-nine dollars (\$ 180,879).

The principal estimated in a "Notice of Intention to Commence Mining Operations and a Mining and Reclamation Plan," filed with the Division of Oil, Gas and Mining on the 2nd day of September, 19 82, that 20,000 acres of land will be affected by this mining operation in the State of Utah. A description of the affected land is attached hereto as Exhibit "A."

If the principal shall satisfactorily reclaim the above-mentioned lands affected by mining by the said principal in accordance with the Mining and Reclamation Plan and shall faithfully perform all requirements of the Mined Land Reclamation Act, and comply with the Rules and Regulations adopted in accordance therewith, then this obligation shall be void; otherwise it shall remain in full force and effect until the reclamation is completed as outlined in the approved Mining and Reclamation Plan.

If the approved plan provides for reclamation of the land affected on a piecemeal or cyclic basis, and the land is reclaimed in accordance with such plan, then this bond may be reduced periodically.

In the converse, if the plan provides for a gradual increase in the area of the land affected or increased reclamation work, then this bond may accordingly be increased with the written approval of the surety company.

The Division shall only accept the bond of a surety company if the bond is noncancellable by the surety at any time for any reason including, but not limited to nonpayment of premium or bankruptcy of the permittee during the period of liability.

NOTE: Where one signs by virtue of Power of Attorney for a surety company, such Power of Attorney must be filed with this bond. If the principal is a corporation, the bond shall be executed by its duly authorized officers with the seal of the corporation affixed.
